Labour Market Trends and Career Opportunities: The Role of a CV and Cover Letter

Kaspars Kotāns,
Labour market and career expert

Which skills are most in demand in today's job market, and how can you prepare for a successful start to your career? You'll explore current labour market trends, learn what employers expect from early-career professionals, and discover how to highlight your strengths. You'll also get practical tips on writing a compelling CV and cover letter to catch employers' attention and improve your chances of landing the job you want.

What Really Happens in a Job Interview?

Sintija Neimane,
MSC Shared Service Center Riga

Elīna Radziņa,
MSC Shared Service Center Riga

A job interview does not have to feel stressful when you know what to expect. During this interactive lecture, you will gain practical insights from experienced recruiters, explore the most common interview questions, and take part in realistic interview scenarios. You will have the opportunity to view the process from both the candidate's and the interviewer's perspective, ask your own questions, and build greater confidence for your next job interview.
